

REGISTERED NURSES

Cedars Castle Hill Care Homes in Shaftsbury specialise in residential, nursing and end of life care, particularly for people with dementia. We're independent and not for profit.

We are looking to recruit:

- Registered Nurses
- Return to nursing mentorship placements available (from September 2017).

All posts offer flexible working can be full/part time/bank or job share day/night shifts available.

Competitive rates dependent on experience and overtime pay.

Rates of pay from £16.00 - £20.00 per hour.

We value all our staff and the following benefits come as standard: Welcome bonus £250.00, staff rewards scheme, pension, paid holiday, DBS check, professional indemnity insurance, CPD, NMC revalidation programme and registration costs, specialist end of life care training, meals and uniform provided.

This is an opportunity to join our team and make a real difference to local people. If you would like to work in a unique, friendly, caring environment we would love to hear from you.
